

THERMEX PLASMEX®-FILTER I - RUND

Varenummer: 535.10.1000.9

Fremtidens recirkuleringsfilter til emfang
Skal ikke skiftes, og skal ikke vedligeholdes
- forventet levetid op til 10 år.

The diagram illustrates a circular plasma filter with a grid pattern. Blue arrows show air entering from the bottom and exiting from the sides. Above the filter are three circular icons: 'FOR ET RENERE KØKKENMILJØ' (For a cleaner kitchen environment) with a house and flower icon, 'FOR EN GRØNNERE PLANET' (For a greener planet) with a leaf icon, and 'FOR EN BEDRE ØKONOMI / SPAR PÅ VARMEN' (For a better economy / Save on heat) with a stack of coins icon. The filter is flanked by two groups of trees.
